98(1) The returning officer may make a recount of the votes cast at one or more voting stations if

- (a) a candidate or an official agent or a scrutineer of a candidate recognized pursuant to section 69 or, in the case of a vote on a bylaw or question, a scrutineer appointed pursuant to section 70(1) shows grounds that the returning officer considers reasonable for alleging that the record of the result of the count of votes at any voting station is inaccurate,
- (b) the returning officer considers that the number of

was sufficient to affect the result of the election if they had not been counted or rejected, as the case may be, or
 - (c) the returning officer is of the opinion that there may have been an administrative or technical error that may cause an error in the count of votes.
- (2)** If the returning officer makes a recount, the returning officer shall

- (6) A declared vote under section 99 at the original count of ballots shall be counted at the recount of ballots only if the recount confirms the equality of votes among the same candidates as at the original count.
- (7) If the recount results in an equality of votes different from the result of the original count and it is necessary to determine which candidate is elected, section 99 applies.
- (8) If votes have been taken and counted under section 84, a reference in this section to a voting station is deemed to include the place where the votes were counted.
- (9) If a returning officer determines that a recount will be made in a local jurisdiction that is divided into wards or divisions, the returning officer may determine the number of voting stations for which a recount is required in accordance with subsection (1).
