- Front Yard setback shall be a minimum of 6.1 metres;
  - Side Yard setback shall comply with the requirements of the Alberta Building Code or be a minimum of 1.5 metres whichever is greater; and
  - Rear Yard setback shall be a minimum of 1.5 metres.
- 7- All improvements shall be completed within twelve (12) months of the effective date of the permit.
- 8- The applicant is responsible for determining if there are any special considerations required for building foundation construction.
- 9- Positive grading must be provided to ensure drainage. A minimum gradient of two percent (and greater if possible) is recommended.
- 10- The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.
- 11- No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.

**Note: Additional approvals may be required from Provincial and / or Federal Departments and Agencies. It is the responsibility of the Applicant(s) to make themselves aware of such requirements and garner approval(s) where required.**
